Acceptance of all advertising is subject to approval by Vital-Signz, who reserves the right to reject any advertisement for any reason, stated or otherwise.

Advertisers and advertising agencies are liable for all content, including illustrations and photographs, of advertisements and are responsible, without limitation, for any claims made thereof against Vital-Signz, their offices or employees. The Advertiser agrees to indemnify and protect Vital-Signz from loss or expenses for claims, based upon content of advertisements. This includes suits for libel, copyright infringement, plagiarism and unauthorized use of a person's name or photograph.

Liability for any error appearing in an advertisement is limited to the space actually occupied. No allowance will be made if the error does not materially affect the value of the advertisement. Vital-Signz reserves the right to use materials from a previously advertisement if new materials are not delivered by material deadline. Space reservations cannot be canceled after material deadline dates. Drawings, artwork, film and other materials for reproduction are acceptable only at advertiser's risk and should be clearly marked to facilitate return.

Advertisers and their agencies are jointly responsible for payments and related costs.
